Forward Looking Statement

This presentation may contain certain forward-looking statements. These forward-looking statements generally relate to future events or our future financial or operating performance. Forward-looking statements in this report include, but are not limited to:

Our expectations regarding our products and solutions, including new products and solutions, expectations related to cybersecurity and other threats, and our financial projections for the future quarter and year end results.

Our expectations and beliefs regarding these matters may not materialize, and actual results or events in the future are subject to risks and uncertainties that could cause actual results or events to differ materially from those projected. These risks include our ability to continue to develop platform capabilities and solutions; customer acceptance and purchase of our existing products and solutions and new products and solutions; the market for IT security continuing to develop; competition from other products and services; our ability to recognize the anticipated benefits of any acquisition or partnership; and general market, political, economic, and business conditions, including acts of terrorism or war.

These forward-looking statements are also subject to other risks and uncertainties, including those more fully described in our filings with the Securities and Exchange Commission, including our Annual Report on Form 20-F filed with the Securities and Exchange Commission on March 31, 2026.
The forward-looking statements in this presentation are based on information available to Check Point as of the date hereof, and Check Point disclaims any obligation to update any forward-looking statements, except as required by law.

In this presentation and in our press release, which has been posted on our website, we present GAAP and non-GAAP results, along with a reconciliation of such results as well as the reasons for our presentation of non-GAAP information.
